The organiser's times and mileages are deemed to be correct and are not subject to protest. Any other protest must be lodged in accordance with General Regulation C.5.

16. Four forms of control will be used on this event.

A) Main Time Control. At the start and the end of the event.

B) Timing Point. At various points along the correct route.

At both of the above, the time of arrival (disregarding any seconds) will be recorded by the RalliLink App, along with the direction of approach. **Some of these will be recorded by the Navigator and some by the Marshal.**

C) Route Checks. At various points along the correct route. These will be recorded by the Navigator using the RalliLink App.

D) Code Boards which will be recorded by the Navigator using the RalliLink App.

17. Manned points will open 10 minutes before the due time of arrival of Car 0. They will close at the due time of arrival of Car 12 plus maximum lateness at that control.

18. Penalties will be applied using the 'Time' system in R Chart 13, except as follows:-

Not recording a Passage Control or Route Check (Code Board) or recording an Off Route Code Board.	10 Marks
