

Welcome to what we hope will become a regular club news sheet. The idea is to give you, the club members a brief update with regards to what has happened in the recent past and what is planned for the future.

Last week we had our first committee meeting since the AGM and I hope that our new committee members were made to feel at home even though it can take a few months to become fully involved.

The sun is shining brightly over the shires, and we're all looking forward to facing a year without restriction and complications. As we ramp up the temperature, and the length of daylight, we start to look forward to all the competitions and opportunities to meet face to face as a club, and also look forward to working with other clubs, Motorsport UK, and the wider ICE (and electric....) communities. Let's make this a fun few months, and look forward to meeting the new faces at our events, along with that BBQ we have planned mid-season.

Thank you to those club members who fly the flag for the Club within the motor sport community. Brian Cammack—Chairman & Your Committee

Entries are still available for the Butch Cassidy 12 Car Rally and there are places available on the Bocardo Autosolo & PCA. Regulations and entry forms are available on the Club web site at <https://www.oxfordmotorclub.co.uk/category/events/>
